EDUCATION

◆ **University of Western Australia**   Feb 2024 - now

Master of Data Science
- Specializing in AI, machine learning, deep learning, and data engineering.
- Additional interests in Internet of Things (IoT), embedded systems, and application development.

◆ **Nong Lam Ho Chi Minh City University**   Sep 2017

Bachelor of Economics
- Expertise in statistical analysis and economic principles, with a specialization in environmental economics.

RECENT WORK EXPERIENCE

◆ **Law Access - Perth - Australia**   March 2025 - May 2025

Data Migration Intern
- Migrating data from a legacy system to a new platform, ensuring structure, hierarchy, and proper procedures with system providers and management.
- Applied Python, MySQL, shell scripting, and Excel to analyse data, prepare datasets, and produce technical documentation.

◆ **DHL Supply Chain (Vietnam) Ltd**   May 2022 - Aug 2023

Team Leader - L'Oreal South Site.
- Led a team of 40+ staff members, achieving 95% on-time order fulfilment for B2B and B2C clients through optimized warehouse operations.
Achievement: Recognized as the top-performing team, contributing the highest profit margin at the site and successfully launched an e-commerce operation and a new warehouse management system.

◆ **T&C Logis - Korean Logistic Company - Vietnam Branch.**   Oct 2019 - Jan 2022

Manager Assistant
- Managed warehouse operations, including coordinating daily activities, training staff, providing customer service, and liaising with vendors.
- **Achievement:** Assisted the manager and CEOs of a start-up team to deliver high-quality services for top-tier clients such as Samsung Electronics and CJ Group, maintaining excellence during the COVID-19 pandemic.

◆ **HOA SEN GROUP HQ - VIETNAM**   Nov 2018 - Sep 2019

General Department - Store development team.
- Provided legal consulting, tracked contracts, negotiated property transitions and ensured regulatory compliance. Conducted business analysis using Excel and ERP systems to build reports for the CEOs.
- **Achievement:** Contributed to the restructuring of the retail system during the 2017 US-China trade conflict, helping to mitigate its negative impact by applied analysis skills in both economics and law topics.
